## TWO TRAGEDIES UP IN IDAHO.

One Man Dead and Another is  
Lying at Death's  
Door.

A QUARREL OVER WATER.

Self-Defense is Urged by the  
Slayer.

Confidential Clerk at Cheyenne,  
Short in His Cash, is Asked to Ex-  
plain, Refuses, and Disappears  
With His Gun in Hand—Sensa-  
tional Charges Against the Presi-  
dent of the Michigan Mutual.

(Special to The Herald.)  
Boise, Ida., May 10.—Further particu-  
lars of the shooting at Oakley of  
Frank Hining by Emil Berg are to  
the effect that they quarreled over  
water. Berg claims he shot in self-  
defense and says he was on his own  
premises and Hining attempted to  
drive him away. Both men were  
mounted when they met. Hining  
opened fire with a six-shooter and  
Berg returned it with a Winchester.  
He fired two shots, both of which took  
effect. Berg was uninjured, but his  
horse was killed.

At Albion, near Oakley, Andrew  
Murphy struck W. H. Morris down  
with a shovel, and beat him until it  
is believed he will die. Murphy is under  
arrest. This trouble also arose over  
water.

A PROBABLE SUICIDE.

Confidential Clerk, Short in Cash,  
Disappears.

(Special to The Herald.)  
Cheyenne, Wyo., May 10.—Riney,  
Schnitzer, insurance agents, discovered  
a shortage of \$28 in the cash account  
last evening of their confidential  
clerk, Del Reyman. Reyman was no-  
tified, and asked to explain. He said  
he could not explain.

Later in the evening, Reyman went  
home, took his shotgun and disap-  
peared. He has not since been seen or  
heard from, and his wife fears that  
he has killed himself. Reyman is a  
young man of good family connections,  
and has always stood well in the com-  
munity.

MICHIGAN MUTUAL.

It is Alleged False Statements Have  
Been Made by the President.

Detroit, Mich., May 10.—A sensational  
suit in which an accounting of the  
Michigan Life Insurance company and  
removal of President Oscar B. Looker  
are prayed for, was begun in the Wayne  
circuit court this afternoon. The com-  
plainants are ex-Vice-president Joseph  
W. Dusenbury of this city, et al. Sev-  
eral officers and directors of the com-  
pany are made party defendants with the  
president. The bill alleges that for ten  
years past President Looker has made  
false statements concerning the com-  
pany's affairs, representing the value of  
its real estate for instance, at a value  
largely in excess of its market  
value. It is charged that mortgages  
taken to secure future premiums on life  
insurance policies have been treated as  
assets without any counter charge in the  
accounts of policy holders or otherwise;  
also that the reports made to the state  
insurance commission have embodied  
figures which had long since expired.  
Various other charges are made against  
President Looker to the effect that he  
has manipulated the company's balance  
sheet to his own interests and with the  
intent to defraud the stockholders. An in-  
vestigation and accounting is prayed for.

biscuits, savory doughnuts and delicate  
pastry, is Dr. Price's Baking Powder.

THE CATS OF NEW YORK.

Not Only Captured the City, but the  
Country at Large.

New York, May 10.—The cat shows seem  
not only to have taken the city, but the  
country at large. Dispatches and letters  
have been sent to Secretary Hyde from  
Boston, Minneapolis and Providence, ask-  
ing for assistance and advice on the or-  
ganization of cat shows, which, it is said,  
will be held in those cities in the near  
future. Steps are already being taken to-  
ward the formation of a national associa-  
tion along the same lines as the dog  
clubs, and cats will be registered as dogs  
are now.

M'GRAW EXPLAINS.

WHY HE REFUSED TO APPOINT  
DELEGATES TO SALT LAKE.

Says He Is a Bimetallist, but at the  
Same Time Proves That He Is a  
Gold Bug to the Core.

Seattle, Wash., May 10.—Governor  
McGraw has written a letter to Gov-  
ernor Richards, of Montana, giving his  
reasons for declining to appoint dele-  
gates to the silver convention at Salt  
Lake. Governor McGraw says:

"First—Executive activity or action  
in the matter of naming men to par-  
ticipate in such a conference when not  
authorized by legislative direction  
ought imply on the one hand sanc-  
tion by the public opinion of the com-  
monwealth, or on the other the jus-  
tification of a plainly avowed principle  
of the party of which the chief magis-  
trate is a member.

"Second—The free and unlimited  
coinage of silver at the ratio of 16 to 1  
is not a popular doctrine in this state.

"Third—It is with unforgotten dif-  
ference that I venture to oppose any  
views on the money question in the  
opinion of gentlemen who advocate the  
free coinage of silver by this na-  
tion, regardless of the attitude of the  
other commercial nations; but I am a  
bimetallist, and it can scarcely be de-  
nied that to put into practice the  
monetary theories of Mr. Collins and  
Mr. Carver, the authors of 'The People's

Financial School' would be to immedi-  
ately put this country on a silver  
monometallic basis."

Price is Bucking.

Lima, O., May 10.—There has been  
issued from this city by Senator Price  
a circular letter addressed to the  
Democrats of the state protesting  
against the adoption in the Ohio state  
Democratic convention of any resolu-  
tion endorsing free silver. He accuses  
Chairman A. W. Thurman and Sec-  
retary W. A. Taylor, of the state ex-  
ecutive committee, and other free silver  
men, of working to secure delegations  
to this purpose. In the letter he says:  
"My judgment it would not only  
cause a repetition of the defeat was  
sustained in the state last year, but  
would put the party in a hopeless mi-  
nority for a long while in the future.  
It would certainly make it difficult, if  
not impossible, for many who occupy  
the same position as myself to take an  
active part in the campaign this year."

The letters are addressed to promi-  
nent Democrats all over the state and  
ask for advice as to the situation.

Alive in Chicago.

Chicago, May 10.—Advancement was  
made last night toward the permanent  
organization of a bimetallic club in this  
city. The following officers were elec-  
ted: President, Judge S. P. McConnell;  
secretary, M. W. Leagher; treasurer,  
Eugene Smith.

According to the constitution of the  
club, its object is, "To restore the coin-  
age of silver and gold to the relative  
positions they occupied prior to 1871,  
without any international agreement."

The constitution also specially sets  
forth that the club will be non-  
partisan.

THE WALL IS DOWN.

THANKS TO THE LITTLE MEN OF  
THE MIKADO.

Large Opportunities for the Intro-  
duction of American Machinery  
and Manufactures in China.

Washington, May 10.—Large oppor-  
tunities of the introduction of Ameri-  
can machinery and the investment of  
American capital are offered by the  
peace agreement Japan has just effect-  
ed with China. A provision is made  
that China shall hereafter be open to  
the introduction of all forms of mod-  
ern machinery, printing presses, and  
many other devices of civilization  
which heretofore have been kept out  
of China. The Emperor of China has  
been prohibited from introducing  
modern machinery. As a result,  
the Chinese are using wooden ploughs,  
similar to those used centuries ago  
here. Modern tools are included under  
the head of machinery and mechanical  
devices, so the American plough and  
other implements and tools will enter  
China free of duty. It is stated cotton  
machinery will be brought at once into  
extensive use, thus enlarging the de-  
mand for the raw cotton of the South-  
ern States. The Chinese use so much  
cotton that the emperor granted a  
monopoly of using cotton machinery to  
the viceroy of the southern provinces  
of China. He has since produced  
large quantities and has prevented the  
British and Americans at Shanghai  
and elsewhere from using similar ma-  
chinery. Now, however, the viceroy's  
monopoly is at an end and American  
machinery is expected to be freely in-  
troduced. The privileges secured  
by Japan are enjoyed by the world at  
large, as the most favored nations  
clause compels China to give other  
countries the same favors extended to  
Japan.

THE CHINESE LOAN.

Lending Financiers to Meet and  
Consider It.

London, May 10.—A dispatch to the  
Times from Paris says:  
M. Hanotaux, minister of foreign  
affairs, has invited the leading financiers  
to meet Saturday morning to consider  
the Chinese loan, the ways in which the  
loans might be contracted, and the con-  
ditions under which they should be  
granted. One reason for this action on the  
part of M. Hanotaux is that Russia,  
France and Germany in return for  
Japan's planity in according to their de-  
mands, practically engaged themselves  
not to secure the payment of inden-  
tity. It will not be surprising if  
the powers, while discussing the loan,  
make a financial proposition will not arrive  
at a decision without consulting London,  
without whose co-operation such an en-  
terprise could not be undertaken.

Spain's Adhesion.

London, May 10.—A dispatch to the  
Standard from Madrid says that Spain's  
adhesion to the three powers that pro-  
tect Japan against the annexation of  
territory in Manchuria was promised only  
on condition that the powers induce Ja-  
pan to abandon Formosa.

MISS WILLARD TO WED.

The Latest Sensation Sprung in  
Chicago.

Chicago, May 10.—A story is floating  
around in women's temperance circles  
to the effect that Miss Frances  
Willard, the famous temperance lecturer,  
will be led to the altar before autumn.  
The gentleman in the case is alluded to  
without name as "an Englishman of  
wealth and position and of prominence  
in reform work across the water."

Miss Willard's most intimate friends,  
however, point to the fact that she is  
just entering upon her 56th year and say  
that she has not hinted at any prospec-  
tive change in her domestic relations. In  
any of her recent communications to her  
closest friends.

THEY USED CORPSES.

NAMES OF DEAD MEN ON CHICAGO  
PAY ROLLS.

Not Less Than a Million Dollars Has  
Been Fetched From the Depart-  
ment of Public Works.

Chicago, May 10.—A local paper says:  
Frauds of the grossest nature in the  
pay rolls of the department of public  
works have been uncovered by Commis-  
sioner Kent. Dead men, the commis-  
sioner said, have been enrolled as labor-  
ers and their names forged to their  
checks, names have also been duplicated,  
and residences located where there were  
vacant lots. All of these facts are now  
in the possession of Commissioner Kent  
and in course of preparation for submis-  
sion to the legal department of the city  
for prosecution. It is estimated that a  
million dollars has been stolen from the  
city in this manner.

## FOUR ARE DEAD, TWO INJURED.

Fearful Gas Explosion in a  
Coal Mine at Sopris,  
Colorado.

DEATH CAME UNHERALDED.

Bodies Were Badly Burned and  
Blackened.

Position of the Corpses When Found  
Showed That the Men Were at  
Work When the Explosion Occur-  
red, but How to Account for It Is  
the Problem, as the Mine Was  
Well Ventilated and Free From  
Gas.

Denver, May 10.—A special to the  
News from Trinidad, Colo., says: A  
terrible gas explosion occurred this  
morning at 4 o'clock, in the mines of  
the Colorado Fuel and Iron company,  
at Sopris, which resulted in the in-  
stant death of four persons and the  
injury of two others. The dead are:  
Sylvester Cox—leaves wife and one  
child.

John Labaun, unmarried.

Albert Laemmlein—leaves wife and  
three children.

Blas Rocommich—leaves a wife and  
three children.

Injured: J. R. Reynolds, seriously  
burned.

Lloyd, slightly burned and  
bruised.

The position of all the bodies, when  
found, showed that the men were at  
work when the explosion occurred.

They were lying across the track,  
near the car which they had been un-  
loading, and evidently met their fate un-  
warned of any danger.

They all were badly burned and  
blackened from the explosion.

It is thought that the fire originated  
in the accumulation of coal and lignite  
from the mine's lamp, as none of  
the mines in this region have ever  
been troubled with gas and the ven-  
tilation of the Sopris mine is good.

Had the explosion occurred during  
the daytime, when the men were all  
at work, the results would have been  
frightful, as ordinarily from 300 to 350  
men are employed in the mine.

EFFECTS OF A CLODBURST.

Whole Town Was a Sea of Sargassum  
Water.

Hermanville, Miss., May 10.—The  
clodburst at this place yesterday did  
great damage to property, but no lives  
were lost. The downpour of rain was  
terrible and the flood overflowed all  
the streams in the neighborhood. The  
town and the surrounding country was  
a sea of surging water. Fences, out-  
houses, etc., were swept from their  
foundations, and through the main  
street of the town rushed a raging  
river five feet in depth. It overflowed  
many houses, sweeping over the  
ground floor, and the water could not  
be gotten up in time, had to  
swim to places of safety. Men had  
to give up the task of rescue, as the  
water soon rose above their heads. The  
people sought safety in second stories,  
and so far as can be learned no lives  
were lost. The wires are all down.

BLUE AND GRAY.

Enemies of Old Jola in Decorating  
the Graves of Confederates.

Raleigh, N. C., May 10.—Today was  
celebrated as Memorial day by Confederate  
veterans in many parts of the south. At  
Charlotte, the ex-Confederate veterans  
and the G. A. R. men at Harrington Post,  
and the G. A. R. men at the G. A. R. Post,  
military and naval reserves and united in  
decorating 30 Confederate graves. At  
Nelson, this state, and at Raleigh, the  
veterans also joined in observing the  
day. At Asheville, this state, memorial  
services were held at the First Baptist  
church. Speaker Charles F. Crisp and  
Colonel V. S. Lusk were among the  
speakers. At Raleigh, the singing of  
"The Old North State" by several hundred voices.

HERE'S A PRETTY MESS.

PRISONERS BRUTALLY BEATEN IN  
A MEMPHIS JAIL.

Colored Trustees Carry Keys to the  
Female Ward, Which Has Been  
Turned Into an Assignment  
House.

Memphis, May 10.—The grand jury,  
which has been investigating the man-  
agement of the county jail under Sheriff  
McCarver, has returned a report con-  
taining serious charges against that  
official. The jury has evidence that  
prisoners have been brutally beaten by  
jailer Bud McCarver, son of the sheriff,  
and one instance, that of a prisoner  
named Joe Evans, is cited. He is said to  
have been held down by four of Mc-  
Carver's assistants while the jailer beat  
him unmercifully with a rawhide. Evans  
was then forced, half dead, into a dun-  
geon, the floor of which was covered with  
bad smelling water, where he was left  
several hours. The negro trustees, the  
report says, are allowed to carry the  
keys of the female prisoners' wards,  
which is characterized as a regular as-  
sault on the rights of the colored people.  
The report concludes, has been made  
known to Sheriff McCarver, but no steps  
to remedy it have been taken by him.

Y. M. C. A.

Pledges Given in Support of Inter-  
national Work.

Springfield, Mass., May 10.—The dele-  
gates to the international convention  
of the Y. M. C. A. joined in a short  
prayer service at the opening of the  
session. The address of the morning  
was delivered by President J. M. Cou-  
ter, of Lake Forest University, Ill., on  
"The International Permanent Fund in  
Relation to International Work."

The convention turned next to the  
international committee's report. A

series of resolutions were adopted in  
regard to the work. Steps have al-  
ready been taken by the state commit-  
tees of the Y. M. C. A. for Massachu-  
setts and Maine, and the state endow-  
ment fund. Forty persons have  
already subscribed \$1,000 each and a  
building given, the revenue from which  
will be devoted to the maintenance of  
work among railroad men in cities and  
towns.

President Moore called for pledges in  
support of the international work for  
the next two years and immediately  
pledges from associations from all over  
the country began to pour in amount-  
ing to \$2,200. A few days later individ-  
ual pledges were called for and \$5,454 was  
pledged. The next convention will be  
held at Mobile, Ala.

IT HAS COME.

Formal Charge Against the Govern-  
ment of Kansas.

Topeka, Kan., May 10.—A complaint  
charging Governor E. A. Morrill with  
having obtained money under false pre-  
tenses, was filed in the office of Justice  
of the Peace Grover this afternoon. It  
is sworn to by G. W. Peters, a store keeper  
of the state penitentiary, and contains  
two counts.

One charge is that the governor signed  
an order authorizing the auditor of state  
to issue a warrant for \$100 to J. E. Slat-  
taw, and the other that he signed a  
check authorizing a warrant in favor of  
Charles H. Hutt for \$100 and that the  
vouchers both set forth that they were  
rendered to the state.

Peters alleges that the governor named  
were drawn out of the state treasury,  
and that they were drawn out of the state  
treasury, and that they were drawn out of  
the state treasury, and that they were drawn  
out of the state treasury, and that they were
